

LOCAL CHILD FATALITY REVIEW TEAM

**MEETING CONCLUSION**

In accordance with Statute 17-5-541 of the South Carolina Code of Laws, the \_\_\_\_\_  
County Coroner's Office, scheduled a Child Fatality Review in reference to the death of,

\_\_\_\_\_  
Coroner Case # \_\_\_\_\_

Date of Death: \_\_\_\_\_

Date of Review: \_\_\_\_\_

According to Section 17-5-541 (B), the team may be composed of the county coroner, a local law enforcement officer, an agent from SLED DCF, a child abuse pediatrician, a representative from DSS, and a forensic pathologist. (You may also include first responders, EMS, nursing staff, etc.)

Those in attendance were:

- |           |            |                   |
|-----------|------------|-------------------|
| 1. _____  | Name _____ | Dept/Office _____ |
| 2. _____  | Name _____ | Dept/Office _____ |
| 3. _____  | Name _____ | Dept/Office _____ |
| 4. _____  | Name _____ | Dept/Office _____ |
| 5. _____  | Name _____ | Dept/Office _____ |
| 6. _____  | Name _____ | Dept/Office _____ |
| 7. _____  | Name _____ | Dept/Office _____ |
| 8. _____  | Name _____ | Dept/Office _____ |
| 9. _____  | Name _____ | Dept/Office _____ |
| 10. _____ | Name _____ | Dept/Office _____ |

A thorough review of the child's death was conducted as required by State Statute Section 17-5-541.

*\*You must retain a copy of this document in/with/attached to your case file. It is also suggested you keep a separate folder labeled child fatality reviews for each year, with a copy of this document. If your office is ever audited for proof of being compliant with state law, you will have one folder with a list of all reviewed cases in one place. If this should occur, please remember to redact the child's name (not the case number).*
